HP 125 Wired Mouse

Every Day Productivity

Think how much you use your mouse. That's why we've taken the time to design a wired mouse that is comfortable to use so you can work productively every day – and all day if necessary.

Designed for Comfort
The HP 125 Wired Mouse includes perfectly positioned left and right buttons and a scroll wheel so you can work in comfort all day.

Plug and Play Connectivity
Connecting some peripheral devices can be a complex and time consuming task. Who needs that? With easy plug and play USB connectivity, you can get your mouse connected quickly so you can get on with your work day.

Responsibly Made
You should feel good about the products you buy and use. Rest assured, this wired mouse is responsibly made with printed circuit boards that is low halogen[1].

Easy Cleaning
Use your keyboard every day and it will accumulate dirt and grime. Over time, this can affect how it performs. Because it was specifically designed to withstand every day cleaning with disinfecting wipes[2], this is one keyboard that's a snap to keep clean.

HP 125 Wired Mouse

Product number	265A9AA
Compatibility	Compatible with PCs with available USB port.
Cable length	180 cm
Cable length	70.86 in; 180 cm
