GE

The feel-good, reliable mouse with more precise navigation and soft rubber grips.

Logitech® Advanced Optical Tracking

Enjoy precise clicking and pointing—on surfaces other optical mice can't handle—while navigating your favorite websites thanks to Logitech Advanced Optical Tracking.

[Learn more about Logitech Advanced Optical Tracking.](#) >

Logitech Advanced 2.4 GHz wireless connectivity

You get the reliability of a cord with wireless convenience and freedom—fast data transmission and virtually no delays or dropouts.

[Learn more about Logitech wireless technologies.](#) >

1-year battery life

You can go for a year without battery hassles. An On/Off switch and smart sleep mode extend battery life, while an indicator light eliminates surprises.*

[Big on battery life? We are, too. Learn more.](#) >

Compact comfort

You'll enjoy more comfort and ease thanks to this mouse's hand-friendly, contoured design with soft rubber grips and a smooth scroll wheel.

[Comfortable hands like comfortable mice. Learn more.](#)

Plug-and-forget nano-receiver

So small and unobtrusive, you can plug it into a USB port and forget about it. Plus, you can say good-bye to worries about broken or lost receivers.

[Plug into more about the plug-and-forget nano-receiver.](#)

Logitech reliability

You get the high quality and reliability that have made Logitech the global leader for mice—plus a three-year limited hardware warranty.

Perfect for laptops and netbooks

Your mouse works with Windows®, Mac® and Linux®. No matter what type of computer you own today—or buy tomorrow—you can depend on your mouse to work like you expect.

** Battery life may vary based on user and computing conditions.*
