

GoPower

USB-C Car Charger with Power Delivery

- * USB-C Power Delivery port, up to 27W
- * 2.4A USB ports, up to 5W
- * USB-IF Certified
- * Fast Charging Supported
- * Charge 2 devices at the same time

Conveniently charge two devices in the comfort of your car using the GoPower USB-C Car Charger with Power Delivery. This convenient charger lets you charge two devices – including laptops and smartphones - from your car's cigarette lighter.

Ideal for use with iPhone 8, iPhone 8 Plus or iPhone X to take advantage of their Fast Charging feature.

Fast Charge

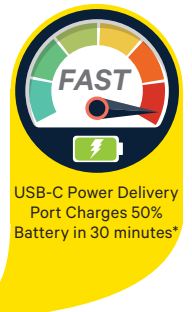

Uses fast charge to recharge iPhone X, iPhone 8 or iPhone 8 Plus up to 50% battery in 30 min.

Power X2

Put your cigarette lighter to work, this convenient charger can easily power all your devices in one place while you commute.

Built-In Circuit Protection

The GoPower USB-C Car Charger with Power Delivery features overcurrent and circuit protection to ensure that your devices are protected while charging. It automatically detects the voltage needed for your device and adjusts output accordingly.

USB-C Power Delivery Port Charges 50% Battery in 30 minutes*

*Disclaimer: Your iPhone fast charges up to 50 percent in 30 minutes when you use an Apple USB-C to Lightning cable and the charger.
