ONSITE SERVICE REPAIR

HOW DOES IT WORK?

Warranty upgrade to Onsite Service is an affordable solution that maximizes PC uptime and productivity by providing convenient, fast repair service at your place.

Lenovo will perform an initial problem determination remotely. Our repair service representative will work with you during the problem determination to identify whether the problem resides with your Lenovo machine, other machines or various software loaded on the machine. Lenovo will either repair or exchange the failing machine at your location and verify functionality.

BENEFITS

- · Shortening downtime, maximizing productivity and hardware availability
- · Fast access to technical help
- · Saving your resources by having Lenovo support available to address you issues quickly
