## ICY BOX **IB-AC627** Heavy Duty Case for 2.5"/3.5" and M.2 SSD/HDD

### Sturdy shell

Made of resin, the protection case has a highly rugged construction with a structure that can withstand highest loads. No matter if dropped or if environmental influences such as water or dust occur, this is no problem for IB-AC627!

### Well embedded

Thanks to the soft, shock-absorbing foam inlay with the perfectly fitting slots, your data drives are stored safely and protected from damage.

### One place for all

Whether 3.5", 2.5" or M.2 SSD, this case has space for all formats. The ingenious adapter function for 5 slots provides even more flexibility.
