

Multimedia entertainment for the whole family

10.1"
Display

The Galaxy Tab A (2019) delivers an immersive viewing experience with a narrow bezel and wide screen. Its bright display and Dolby Atmos's 3D sound work together, taking your multimedia experience to the next level.

Highlights Galaxy Tab A (2019)

- 10.1" TFT 1920 × 1200 (WUXGA)
- 32 GB memory, extendable by up to 512 GB with a microSD
- Dual Speakers mit Dolby ATMOS
- Kids Home and Family Sharing
- 6150 mAh battery

The Seamless Metal Unibody

The Galaxy Tab A (2019)'s slim body boasts a completely metal, unibody design, giving it a stylish look with enhanced durability. It comes in three classic colors that complements anyone's fashion sense. Weighing less than 470 g and measuring only 7.5 mm thick, the Galaxy Tab A (2019) is comfortable and incredibly easy to take with you everywhere you go.

Superior Display, Breathtaking Sound

Enjoy viewing content with superb clarity and optimal brightness on the Galaxy Tab A (2019)'s superior display. The screen can achieve a brightness of 400 nits, so you can enjoy more vivid, clear resolution. The enhanced dual stereo speakers and Dolby Atmos's 3D surround sound work together to provide a truly cinematic experience just for you.

The Ultimate Family Device

Your children will have a great time with all the fun Kids Home content. Since you can protect your children from accessing potentially harmful content, you can rest easy knowing your kids are safe. The Parental Control feature lets you set time limits for how long your children can use the device. With the Family Group Sharing feature, your family can also easily share their Gallery, Calendar, Notes, and Reminders.

More Space for More to Enjoy

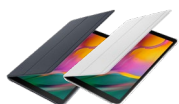

The large storage capacity means you can download more apps and save more files and photos without worrying about space. With a microSD card, you can add up to 512 GB. Enjoy more content for longer with the powerful, long-lasting 6150 mAh battery.
