The Seamless Metal Unibody

The Galaxy Tab S6 Lite's slim body boasts a completely metal, unibody design, giving it a stylish look with enhanced durability. It comes in two classic colors so it will suit everyone's tastes. Weighing less than 470 g and measuring only 7 mm thick, the Galaxy Tab S6 Lite is comfortable and incredibly easy to take with you everywhere you go.

Superior Display, Breathtaking Sound

Enjoy viewing content with superb clarity and optimal brightness on the Galaxy Tab S6 Lite's 10.4" superior display. The screen can achieve a brightness of 400 nits, so you can enjoy more vivid, clear resolution. The enhanced dual stereo speakers and Dolby Atmos 3D surround sound by AKG work together to provide a truly cinematic experience just for you.

S Pen with Handwriting Recognition

The Galaxy Tab S6 Lite's S Pen reliably recognizes your handwriting and converts it into exportable text. The ergonomic S Pen enables you to create precise and detailed drawings, take notes, edit texts and take advantage of the convenient screen-off memo function. The S Pen is magnetically attached to the Galaxy Tab S6 Lite, so it's always ready and doesn't need to be charged.

Kids Ready Device

Your children will have a great time with all the fun Kids Home content available. Since you can protect your children from accessing potentially harmful content, you can rest easy knowing they are safe. The parental control feature lets you set time limits for how long your children can use the device. With the family group sharing feature, your family can also easily share their gallery, calendar, notes and reminders.
